Advisors are welcome to attend any of the training workshops. Those that attend four of the six workshops will receive a \$500 travel stipend and will be honored as Master Advisors.

(Please note that you may only receive the stipend one time, though current Master Advisors are also encouraged to attend these training sessions. Because the stipend is awarded from state funds, it must be spent during the academic year it is received. It can be used for travel, research, professional memberships, teaching materials or other forms of professional development.)
